Announcement of New Executive Director

On behalf of the ARNM Board, I am pleased to announce the appointment of **Pamela Scheveck, RN, M Ed**, as the next Executive Director of ARNM.

Pamela will begin orienting on a casual basis over the summer and will officially assume the duties of the position on **September 1, 2026**.

Pamela began her nursing career as a Practical Nurse at SBGH in 1994 and completed her Registered Nurse education at Misericordia Hospital School of Nursing in 1997. She completed the HSC/U of M ICU course in 1999 and pursued additional education in teaching and leadership through Red River College, the University of Winnipeg, and the University of Manitoba between 2008 and 2018, earning her Master of Education.

Pamela has practised in acute and long-term care settings and has taught in Health Care Aide and Diploma in Practical Nursing programs. She also served as the first Program Coordinator of the Pathway to Healthcare Program at UCN.

In addition to her clinical and education experience, Pamela brings leadership and governance experience through clinical management roles within WRHA and IERHA, service as Chair of the Community Health Nurses of Manitoba from 2020–2024, and most recently through her involvement on the ARNM Board.

Please join us in welcoming Pamela to her new role.
